**CUPID ARROW HEART CAKES INSTRUCTIONS:** Cut out enough of the arrow and feather templates for each child. Have the child cut along the black lines to create a triangle and several "V" shapes. The triangle is for the front of the arrow, and the V's are for tail feathers. Glue to lollipop sticks or skewers that you've pushed diagonally through the Little Debbie Heart Cakes.

CUPID ARROW HEART CAKES INSTRUCTIONS: Cut out enough of the arrow and feather templates for each child. Have the child cut along the black lines to create a triangle and several "V" shapes. The triangle is for the front of the arrow, and the V's are for tail feathers. Glue to lollipop sticks or skewers that you've pushed diagonally through the Little Debbie Heart Cakes.
