Poo Diaper Baby Shower Game

INSTRUCTIONS: I've heard of this diaper game at baby showers with various things smeared in the diapers. I've always thought it was pretty disgusting, but it just seemed too perfect for a Poo Emoji Baby Shower. To play you'll need 8 clean diapers and 9 different chocolate candy bars. Place the candy bar inside a diaper and microwave for 30 seconds. Mash it then open to reveal the mysterious interior. Guests will observe each diaper's contents and try to guess which candy bar is inside of which diaper. Use the number tags below to label each diaper, and cut out enough of the game sheets on the next page for each of your guests to record their guesses.
