

Pregnancy Cravings Game Labels

INSTRUCTIONS: These labels were used for our Boy or Girl? Gender Reveal party, but they would also be fun for a baby shower. To see them in action check out our blog. To use, print out the template on cardstock then cutout each sign. We had boy and girl flair buttons made, but in case you won't have buttons we also included an alternate sign that can be used with a simple chalkboard tally.

**make a name
suggestion**

boy

girl

**please tally
your vote**

**put on a button
and tally your vote**
