

Official Baby Ultrasound Record

INSTRUCTIONS: Print this very official-looking ultrasound record out on cardstock. Cut just inside of the light gray cutting guide. We used a corner-rounder punch to finish off the corners. Fill out the top portion of the card then take and give to the technician at your ultrasound appointment. Ask he or she to check the appropriate box for boy or girl. Be sure to also provide an envelope so the card and ultrasound photo can be sealed inside.

BABY ULTRASOUND RECORD

Mother's Name:

Father's Name:
